Ketchel on Eve of Battle is Confident

San Francisco, Oct. 12. With the fight for the heavyweight championship of the world only a few days away both of the principals have begun to taper down in their work. While betting continues to 10 to 4 in favor of thompson considerable money is being placed on the short end. One of the latest short end bettors is Billy Papke. The Illinois middleweight expressed the belief that Ketchel will outpoint the champion. Ketchel is supremely confident and expresses the belief that the coming fight will be a replica of the famous Corbett-Fitzsimmons match at Carson City. Johnson is afraid of getting stale and for the last two days he has done nothing but routine gymnasium work. His manager declares that the big fighter is in the pink of condition.

Hon. X. N. S. District Attorney of Coconino county had a couple of days business in the court here this week. For many years he practised successfully in Williams that when the office of district attorney became vacant in Coconino county by the elevation of Hon. E. M. Doe to the bench that there was no other choice. He has successfully pushed the famous Woods-Neill murder case which his predecessor had given up in Flagstaff.

Hon. Tom Flinn, of Flagstaff is here and we are glad of it. Hon. Tom is honest, he is too honest for politics in Coconino county-being defeated for District Attorney in 1908 because he stood for a decent up right community. He has been too good for a lawyer although he commands an enviable practice, through his keen intelligents and interpretations of the law. He is a Democrat, an orator and a friend of Hon. H. F. Ashurst with whom he was associated for number of years.

A. K. Stacy, the well known life insurance man, who is representing Missouri State Life Insurance Co., is again in our city. When it comes to writing insurance Mr. Stacy, Better known in these parts as Pap, is there with the goods Boys if you do not want to carry insurance, you had better fight shy of Pap for if he gets a hold of you, you're a "goner," but if you are in a position to carry an insurance policy, there is no doubt but what it would be to your interests to look Mr. Stacy up, as he has one of the best policies that was ever placed before the public by an Insurance Co.

Hon. Henry F. Ashurst, the honest Silver tauged orator of Arizona is here this week. For many years Mr. Ashurst ably and conscientiously looked after the interest of Coconino county, but after the election of 1903 in which Mr. Ashurst refused to again be a candidate, a larger field called him and now Yavapai county will claim the first Senator from Arizona upon its admission to Statehood. Upon being interviewed Mr. Ashurst was not optimistic about Statehood, but felt that nothing would be done until after the census of 1910 for both Arizona and New Mexico. He has always been a staunch Democrat altho a friend of Ralph Cameron a builder of our territorial industries and prosperities and this county should be more than honored by his presence even though we feel that he is perhaps wrong on his Statehood opinion.

The business coming before the District court at this term being so large the regular panel of trial jurors was found insufficient and twenty more jurors had to be summoned.

Thomas Tanner, the efficient Constable of Snowflake, is aiding the Sheriff in keeping the legal matters of his office straight during Court week.

John McLaws, John Westover, Thomas Shelley and P. A. Bushman are jurors from St. Joseph, in attendance of Court here this week.

Flag in Saloon Illegal in England.

Patrick O'Brien, speaking in the house of commons yesterday, drew the attention of Premier Asquith to the incident on the occasion of the reception at Castlelragh, when the police ordered a local saloon keeper to remove the American flag. Mr. O'Brien declared that this incident was regarded in America as an insult to the flag, and he suggested that Ambassador Bryce be instructed to explain and apologize. In reply Mr. Asquith informed Mr. O'Brien that the display of any flag in a liquor saloon was illegal, and that the Union Jack had been ordered removed on a similar occasion. It was so obvious that no insult to the American flag was intended that the government had no intention of communicating with Washington on the subject. - Springfield Republican.
